Issues and Themes

How should American Rescue Plan funds be used to increase the share of children in high-quality programs and support families who need child care to return to work?

- Reimburse families for copay fees paid during the pandemic.
- Expand eligibility by increasing income thresholds for more families to qualify for subsidy.
- Increase the subsidy base reimbursement rates.
- Provide assistance to cover tuition paid by private families who are not eligible for subsidy.
- Grant funds to programs to help pay operating expenses during covid.
- Fund emergency care for children in foster care.
- Eliminate waiting lists for child care subsidy.
- Fund high quality early learning for all children, not limited to low-income families.
- Educate families and staff on Keystone STARS.

How should American Rescue Plan funds be used to support the child care workforce?

- Reinstate the Keystone STARS Education and Retention Awards.

- Provide premium pay/bonus for staff working during pandemic.
- Provide funds for programs to be able to provide higher salaries and benefits.
- Offer grants for recruitment tools, such as sign-on bonuses.

Survey Questions and Results

Q1. Pennsylvania currently funds a pilot project, providing contracts for infant and toddler subsidy slots to a limited number of Pre-K Counts providers. Should this pilot project be expanded?
